Paint My Numbers – Curb Painting Service Warning

Riverside, Calif. –Curb painting service notices have been found on City of Riverside residents' doorsteps. The notice asks residents for a voluntary donation to repaint address numbers on the curb. The City of Riverside would like residents to be aware that such company(ies) are in no way affiliated with or working at the City's request. In addition, City of Riverside residents are not required by any City code to have home address numbers painted on the curb. The only requirement for addresses is that they are visible from the home near the front door or other entry. Again, if you receive pressure to pay a "donation" or fee for service, you are under no obligation by any code to do so.

Residents are encouraged to report any suspicious or harassing activity to Riverside Police Department (951) 787-7911.
